Covid-19 national and local regulations

- ✓ Covid-19 provisions on how to travel and enter in Italy
- ✓ The Italian zone-system
- ✓ Your safety first @ UNIPV

Covid-19 provisions on how to travel and enter in Italy

Depending on your country of origin and the countries you have been to prior to your arrival in Italy, you are subject to Covid-19 Obligations.

Countries have been divided in different groups (A, B, C, D...), each one determining a specific set of Covid-19 rules

- ✓ Check which are your obligations according to your home or transit country on our [Ministry of Health website](#)
- ✓ Abide to the rules and obligations for your country of origin (such as self –isolation period, compulsory swab test etc)

The Italian zone -system

Italy is currently divided in different zones under a national colour-coded system of **WHITE**, **YELLOW**, **ORANGE** and **RED** that indicates coronavirus risk and the restrictions in place.

Depending on the colour of each zone:

- ✓ people are allowed to move more freely or only under certain conditions
- ✓ shops and restaurants are open or closed (essential services are always guaranteed)
- ✓ night-time curfew can be in place

The Italian zone -system

Lombardy is currently in white zone but each region status is subject to verification on a regular basis, especially during autumn and winter months.

Check [Lombardy region website](#) or contact us for more information!

Your safety first @ UNIPV

1. 5 Rules to have access to the University premises

UNIVERSITÀ DI PAVIA

Hygiene of environments and surfaces

- ✓ Increased cleaning of classrooms and campus common spaces: daily cleaning and sanitization of the common areas, classrooms and surfaces of most contact.
- ✓ Each classroom / laboratory is equipped with a kit containing the disinfectant gel and sanitizing products for surfaces, multimedia equipments (PC, keyboards and microphones) or laboratory equipments.
- ✓ Safe ventilation: classroom windows will be opened for 15 minutes every two hours.

COVID-19 GREEN CERTIFICATE

COVID-19 green certificate ([EU digital COVID certificate](#)) is **mandatory to access the University** premises for any kind of activity.

How can you get it?

- ✓ if you have been vaccinated against the virus
- ✓ if you recovered from the infection
- ✓ by means of a negative antigenic or molecular swab taken (this last option will generate a certificate valid for 48h only)

Have you been vaccinated or recovered in a non-EU country?

COVID-19 certificates issued by Iceland, Liechtenstein, North Macedonia, Norway, Switzerland, Turkey and Ukraine are considered equivalent to the [EU digital COVID certificate](#) therefore they do not require any recognition.

Have you been vaccinated or recovered in a non-EU country?

For what concerns other non-EU countries certificates, you can ask for a Italian COVID-19 green certificate, provided that:

1. Your vaccine has been one of the following:

- ✓ Pfizer-BioNtech
- ✓ Moderna
- ✓ Astrazeneca
- ✓ Johnson & Johnson

2. Your certificate reports at least the following contents:

- ✓ identification data of the owner (name, surname, date of birth);
- ✓ data related to the vaccine (name and lot);
- ✓ date(s) of administration of the vaccine;
- ✓ identification data of the person who issued the certificate (State, Health Authority).

3. Your certificate is issued in English or it bears a sworn translation

Check here <https://web-en.unipv.it/campus/safety-and-emergency/> for more information

Are you planning to be vaccinated in Italy?

International students are welcome to take part in the Lombardy vaccination programme free of charge.

For more info, visit <https://web-en.unipv.it/campus/safety-and-emergency/>

Classes attendance

- ✓ Starting from a.y 2021/22, UNIPV will get back to in-person teaching and curricular activities, always in compliance with prevention measures
- ✓ Courses held on campus will also be **recorded and uploaded** on the student's portal, being available for 15 days after the lesson has taken place.
- ✓ If you wish to attend on campus, you always have to apply on <https://frequenzainpresenza.unipv.it/> then confirm their participation through [CINECA attendance survey app](#)
- ✓ more information during tomorrow presentations! 😊

In-Library Consultation and Loan

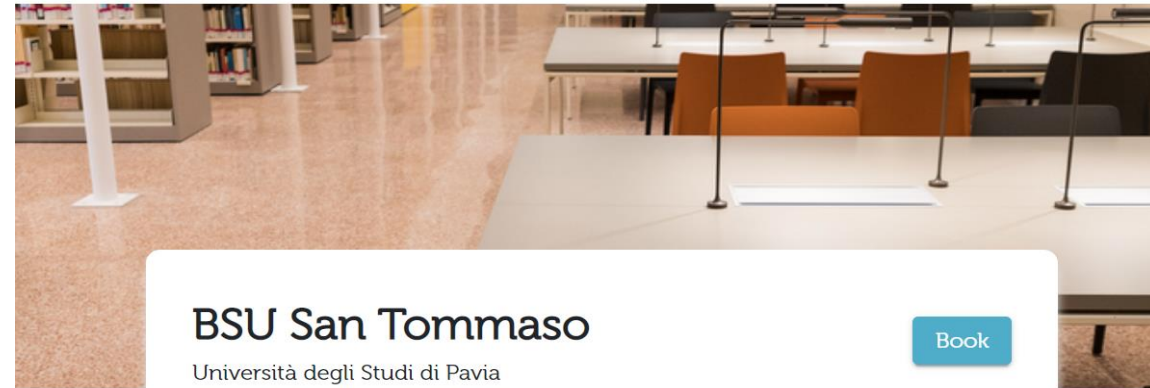

In-person use of university library services requires possession of a Covid-19 green certificate.

To access, both for in library- consultation and for study, it is necessary to sign the appropriate self-certification and book your seat via <https://www.affluences.com>

If you experience any symptom associated to covid infection?

- ✓ get in contact with a doctor – see <https://sito.ats-pavia.it/sito.nsf/MedicoPediatria.xsp> just choose Comune di Pavia on the top-left of the webpage.
- ✓ contact us for the list of english speaking doctors in Pavia
- ✓ in case you need to take a swab test, contact stefano_bernardelli@ats-pavia.it or esitinommg@ats-pavia.it, copying referente_covid@unipv.it

How will the University manage confirmed cases of COVID-19?

The management of confirmed cases will be coordinated by the University Covid responsible, Dr. Lucilla Strada:
referente_covid@unipv.it

- ✓ Closure of the classroom and the disinfection and sanitization of the same day
- ✓ Support the contact tracing activity
- ✓ Notify those who would need to know about confirmed COVID-19 cases
