UNIVERSITÀ DI PAVIA

TRANSPORTS

- UNIPASS is a subscription that allows students registered at the University of Pavia to travel freely on all buses in town and the urban area.

UNIPASS allows all students to travel the whole academic year for a reduced fee of only **20 EUR per year**.

- FLIXBUS
University students receive a 10% discount once a month which is valid on all  **FLIXBUS** national and international services.

CANTEENS

- A number of university canteens are located in colleges and around campus and can be accessed via the app EDiSU-Pavia.EAT

The average price of a **complete meal ranges from 3,50 to 7 EUR.**

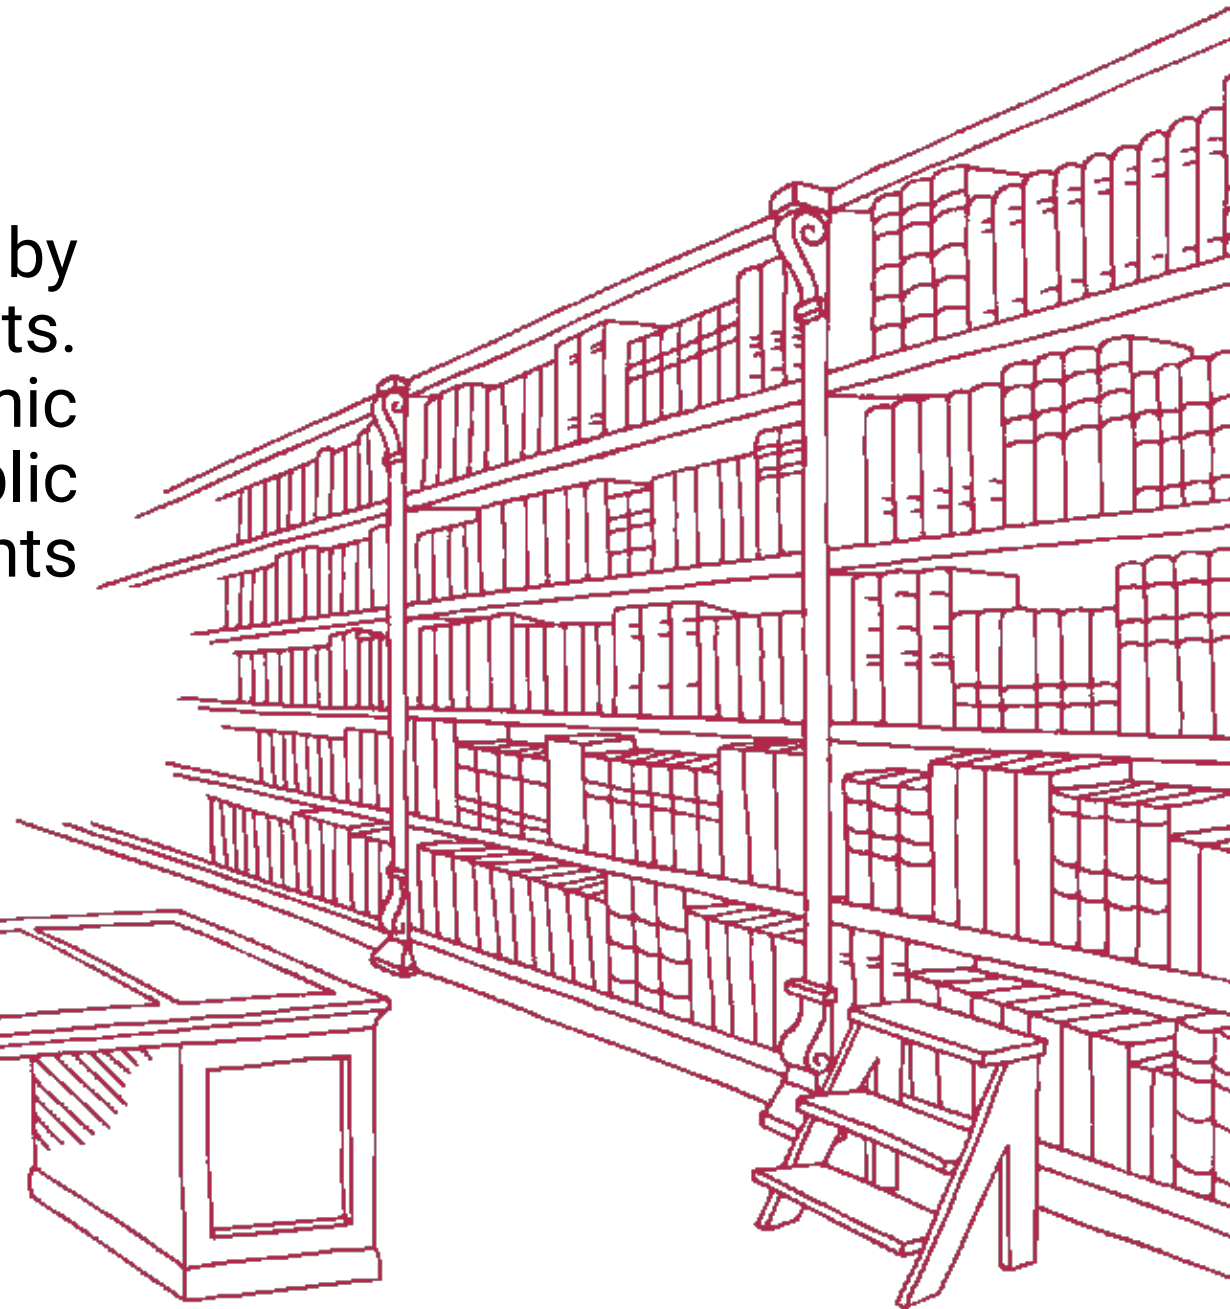

If you are awarded an EDiSU scholarship you will have a free meal per day.

- As part of the University's **sustainability project**, several water dispensers have been installed across campus.

LIBRARIES

- The University offers **9 libraries** run by different faculties and departments. All material owned by the academic libraries is listed in the On-line Public Access Catalogue (OPAC) so students can locate their required books.
- It is possible to book a seat in any library:
 - on the app  Affluences
 - via email
 - via  **WhatsApp**

SMART CARD

The Smart Card allows students to access controlled-entry libraries and to use drinking water dispensers.

How to get the card

- **Degree seeking students** have to send an email to tessere@unipv.it specifying their name, Tax Code and course of enrollment.
- **Exchange students** will be directly provided with it by the International Mobility Office

MUSEUMS

- The University Museum System offers a **variety of museums and collections** of interest to both students and the general public.
- Museums are usually **free to access to UNIPV students**.
- *Some collections are currently closed to the public but are accessible to students by appointment.*

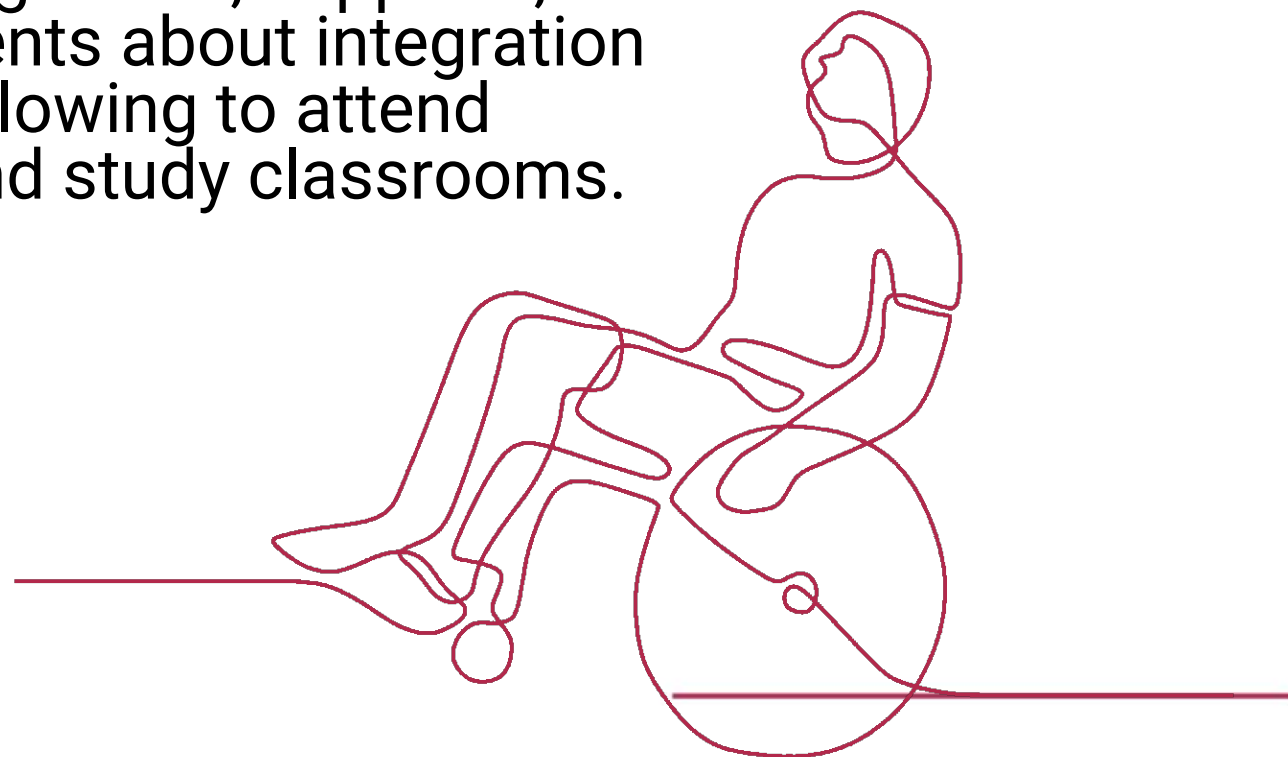

S.A.I.S.D.

- S.A.I.S.D. takes care of the facilities for students with disabilities.

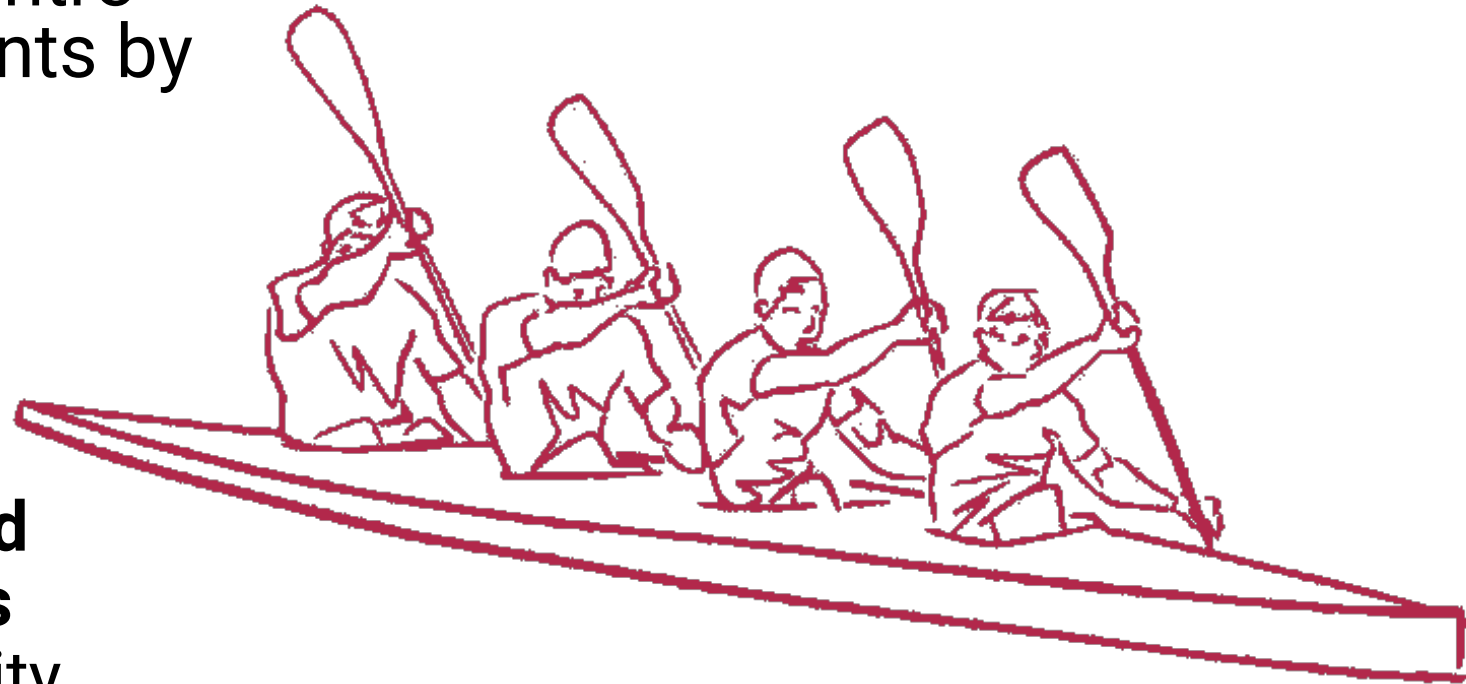

S.A.I.S.D offers **welcome, assistance and integration services** inside the University; organizes, supports, coordinates and monitors all events about integration in all aspects of university life; allowing to attend classes, laboratories, libraries and study classrooms.

- Technological Aid
- Abili si diventa

C.U.S. Sports Centre

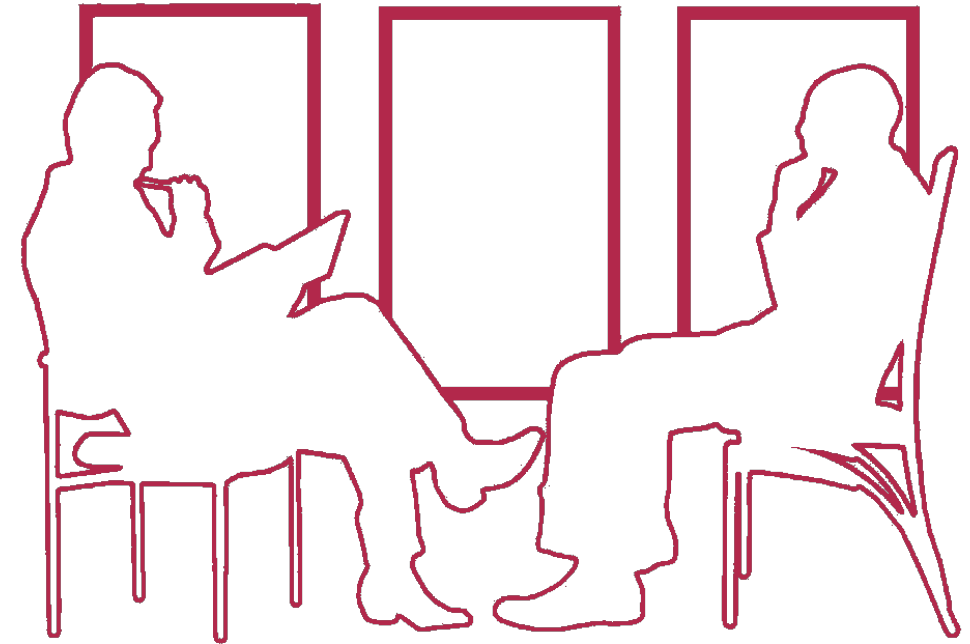

- The University Sports Centre promotes sport to students by offering **a wide range of courses** and organizing championships and tournaments
- With its teams, CUS Pavia participates in **national and international competitions** such as the World University Games.

INDIVIDUAL COUNSELING

The University Career Office (COR) offers a **free counseling service** provided by appointed psychologists.

The psychological support is provided to students, teachers and technical-administrative staff in this moment of emergency, through the support of **online platforms**.

LANGUAGE CENTRE

- The University of Pavia Language Centre offers **Italian language** courses throughout the academic year - **online courses are available!**
- Passing the final exam will result in receiving a certificate of attendance with the final grade and the linguistic level achieved and **up to 7 ECTS**.
- The final exam is not compulsory!
