What you can do for living more
sustainable in Pavia?

TIPS FOR SUSTAINABLE TRAVELS

Compare the energy consumption, the CO2 emissions and other environmental impacts for planes, cars and trains in passenger transport [HERE](#)

USE sustainable means of transport as much as you can

ARE YOU AN EXCHANGE STUDENT?

Ask your home university to provide with financial green Erasmus incentives (50€ scholarship)

ARE YOU A FRESHMEN?

In case you will apply for an exchange programme promoted by UNIPV, ask for the **ERASMUS GREEN TRAVEL** (50€ scholarship)

Increase support for green travel in Erasmus+

Sign the petition to increase the current €50 to a universal top up to individual support of up to €250 for green travel, proportionate to distance covered

Thank you for your attention!
